Mayors Morning Tea for School Captains

On Wednesday our two School Captains, Lucy Kelso-Ribbe and Jacob Zupp and our two School Vice Captains, Fraser Stewart and Lily Kamholz represented Toowoomba East at the Annual Mayor’s Morning Tea for School Captains and Principals. They were an absolute credit to our school and wonderful ambassadors for Toowoomba East. Their manners, conduct and appearance set them apart and we received many positive comments, about our leaders from others present.

Local clubs will be going around the park from 9am with the professionals setting off at 1pm, finishing by 2.15 (according to the website – http://touroftoowoomba.com.au/). Cybersafety and Cyberbullying

All the information provided has come from “The State of Queensland (Department of Education, Training and Employment) Cyber safety and cyber bullying a guide for parents and caregivers 2012.

The internet, mobile phones & instant messaging provide wonderful opportunities for children to learn, be creative & socialise online. They also provide opportunities for inappropriate behaviour, bullying & harassment to occur – causing pain & suffering to the targets of such behaviour.

This guide provides important information for parents about cyber safety & cyber bullying. It suggests what you could do if your child is the target or is responsible for inappropriate online behaviour.
What is Cybersafety

Cyber safety is a broad term referring to appropriate & responsible behaviour online, & knowing how to get to deal with online issues.

The following are some common examples of cyber safety issues, including cyber bullying:

- Sending or posting abusive, threatening, humiliating or harassing messages via text, social networking sites or email.
- Forwarding others’ personal emails, messages, pictures or videos without their permission.
- Uploading embarrassing or degrading images or videos involving other children (including fight videos).
- Taking & sending sexually explicit images of other children using mobile phone or web applications.
- Using social networking sites or blogs to post inappropriate photographs or messages about children or school staff.
- Excluding children online through emails, chat & social networking sites.
- Imitating others or assuming a child’s identity, then sending & posting material which damages their social status or relationships with others.
- Making prank calls to another child’s mobile phone.

Fanfare Results

Last week the strings, concert band and stage band performed at Fanfare. There were four days of competition featuring many primary schools and high schools from the Toowoomba district. The ensembles from Toowoomba East State School performed very well and received some very positive feedback. The strings achieved a bronze award, the stage band a silver award and the concert band a gold award. The concert band was also awarded 1st place out of all the primary schools who performed over the four days. Congratulations to these students and Mrs Rotar, Mrs Greville and Mr Redfearn.

Sport News

Shannon Douglas has been called into the Darling Downs Cross Country team to compete at the State Championships in Cairns next month. Good luck and well done Shannon.

Congratulations to Grace Saxton who was a member of the Darling Downs Netball team that won a silver medal at the recent State Championships. Grace played well and it is great to see a representative of our school achieving success at State level.

Thank you to all students, parents and staff who contributed to our 2012 Cancer Council morning tea. This year our school raised $1000 which is fantastic. As Cancer Council Queensland receives no government funding, they rely solely upon Queenslanders to fund vital research, prevention and early detection programs, support services and advocacy campaigns. So thank you to everyone for their donations.
