TOOWOOMBA EAST STATE SCHOOL
ONLINE LEARNING

Students in years 3 to 7 have the opportunity to access online learning activities linked directly to their curriculum. The Ed Studios are based in Education Queensland’s Learning Place. It is a secure, password protected environment for Education Queensland staff and students. This is an enjoyable and safe way for students to participate in school activities at home as well as at school.

Access instructions for home use

1. Enter the Toowoomba East State School website.
   https://toowoombaeastss.eq.edu.au
2. Click on the “Support and resources” tab.
3. Click on the “Student resources” tab on the left hand side of page.
4. Click on “The Learning Place” hyperlink. This will take you directly to the Learning Place where you can log on using your school user name and password.

5. Click on “My Learning Space” and choose studios on the left hand side of the page. You should then see your year level Ed Studio.

6. Remember to access the Ed Studio regularly, as it will be updated with more units, pages and activities during the year.

If you would like further information or have difficulty accessing your year level edstudio please contact your child’s class teacher or Megan Hopper – Head of Technology on 46375222 or email mhopp18@eq.edu.au
